MEMBERSHIP INFORMATION

Welcome to The Connecticut League of History Organizations

Uniting, Supporting and Promoting
Historical Interests and Activities in Connecticut

Please Join Us!

With more than 50 years of service to the history community, the **Connecticut League of History Organizations** continues its mission to unite, support and promote historical interests and activities statewide.

Our members include:

Individuals—

- volunteers
- paid staff
- students
- independent professionals

Organizations—

- museums
- historical societies
- historic houses and sites
- libraries and archives

No matter what stage or age, all share a passion for history and enjoy life-long learning as well as discovering new friends and colleagues in the field.

Designed to meet the practical needs of history organizations, our programs are presented in a variety of formats including day-long seminars, half-day workshops, and an all-day annual conference.

Our quarterly *Bulletin* keeps members in touch with history activities and issues statewide. It offers practical advice on topics ranging from grant-writing and exhibition planning to disaster management and collections care.

Visit us on the Web at www.clho.org
